DAY 5- Zanzibar.

After your breakfast at 09:00hrs you will be pick up for Zanzibar City Tours – It may not have a particularly romantic name, but Stone Town is the old city and cultural heart of Zanzibar, little changed in the last 200 years. It is a place of winding alleys, bustling bazaars, mosques and grand Arab houses whose original owners vied with each other over the extravagance of their dwellings. This one-upmanship is particularly reflected in the brass-studded, carved, [wooden doors](#) – there are more than 500 different examples of this handiwork. You can spend many idle hours and days just wandering through the fascinating labyrinth of narrow streets and alleyways.

This is a walking tour that takes you through fabled Stone Town, where history appears to stand still. With visits to the House of Wonders, the former slave market for East African Slave trade, and the Arab Fort amongst others, it is a fascinating look at the essence of Zanzibar. The architectural style of Stone town buildings is a unique mixture of various influences and culture.

You will see Zanzibar’s bustling market, winding alleyways, ornately carved and studded doors, two cathedrals and countless mosques!

Stone Town has some excellent gifts shops with plenty of souvenirs and handicrafts to choose from.

A guided walk through this colorful and alternating city with tour knowledgeable tour guides, who knows not only funny of Stone town, but also cruel stories to tell about life of the old times in Stone town. After tour continue to Prison Island – day trip, The Island lies just off the Old Stone Town, it is also a home to giant land tortoises that were imported from Seychelles in the late 19th century. Now it is more commonly known as a home of Zanzibar’s Giant Aldabran Tortoise colony, some of which are over a hundred years old! This endangered species came to Zanzibar as a gift from the government of the Seychelles.

Once on the island, you have the opportunity to feed and pet the tortoises, if you have time you may also like to take a stroll through the forested interior where you will see a wide variety of birds, colorful peacocks, bats, and beautiful butterflies. Keep your eyes peeled too for the shy and elusive Duikers – an unusual tiny antelope species.
